**Brothers In Korea Write Home Telling Need for Blood Supply**

The White brothers, Larry 23 and Lloyd 22, have a pretty good idea of what happens to the blood collected here by the American Red Cross.

In letters to their mother, Mrs. Laura Bonnell of 814 Madrid Ave., the boys often tell of seeing Red Cross blood being put to use on the battlefields of Korea.

A recent letter from Larry, who is a member of a 40th Division unit, told of seeing a medic "get it in one leg, an arm and his face." A quick supply of blood apparently saved the soldier's life.

Lloyd is a member of the 116th Engineers. Both of the White boys are cooks and are dishing up chow for front-line units.

They are native sons of Torrance, Mrs. Bonnell says. Both were born at Torrance Memorial Hospital.

The boys were together about the first of March and were trying to get passes to see each other again last week. "They are now about 45

miles apart," their mother said. She keeps track of her sons on a huge newspaper map of the area and often knows better than her sons how far apart they are.

"The boys are always seeing how the blood is used and I thought it would be a good idea to see if I couldn't help wake up the people at home," Mrs. Bonnell said.

Larry has been overseas since April, 1951, and Lloyd since November, 1951.

A cousin of the boys, Donald L. Fielder of Redondo, was killed in Korea last October, Mrs. Bonnell reported.

**Girl Petitions For Probation As Pals Jailed**

Patsy Joanne Peterson, confessed colleague of two Bell holdup men, has petitioned Superior Court Judge Fred Miller in Long Beach for probation after pleading guilty to armed robbery charges, it was revealed Friday.

Miss Peterson, former telephone operator who lives at 1967 Plaza del Amo, allegedly accompanied Richard P. Farrell, 25, and Donald Tucker, 19, Bell, while they robbed a Lomita and a Santa Ana service station, and held up a grocery store manager in Orange County, in a several-hour period.

Santa Ana police arrested the trio early the following morning. The two male suspects were sentenced to serve prison terms of 10 years to life for five armed jobs which netted them a total of \$335.

Probation hearing was set for May 28.

**Jimmy Pearcey Named Sergeant in Korea**

Jimmy R. Pearcey, son of Mr. and Mrs. Leslie Pearcey, 1533 W. 228th St., was recently promoted to sergeant while serving with the 40th Infantry Division in Korea.

**BIRDS OF A FEATHER . . .** Four Torrance High School grads are now undergoing training at Parks Air Force Base, California, following a mass sign-up by the boys at the local Air Force-Army recruiting office, according to recruiter Sgt. Lawrence Daniels. Pictured are, front, Joe Clevenger, left and William Koehn, and, back row, Sgt. Daniels, John Spiller and Gary Darkdull.

**FOUR SCHOOL BUDDIES SIGN WITH USAF**

The United States Air Force is bigger today by four—four Torrance pals who donned Air Force blues and are currently taking basic training at Parks Air Force Base, California, Sgt. Lawrence Daniels, local recruiter, announced yesterday.

Those who signed up for the hitch are John Spiller, 18, of 1105 Beech Ave.; Gary Barkdull, 18, 1521 Beech Ave.; Bill Koehn, 18, 1710 Ardath Ave.; and Joe Clevenger, 19, 1020 Amapola Ave. Spiller, son of Mr. and Mrs. John Spiller, was attending Torrance High School where he was a member of varsity football and baseball squads. Son of Mrs. Le Grand Barkdull, Gary was attending El Camino College until his enlistment.

Barkdull was a physics major and a member of Sigma Phi Kappa fraternity there. Clevenger, son of Mr. and Mrs. T. W. Hammack, was a math major and also a member of Sigma Phi Kappa at El Camino. Koehn, son of Mr. and Mrs. Robert McBride, was employed at the Deutch Co. here.

The last three were members of the June, 1951 graduating class, Torrance High.

**Thief Breaks Glass; Leaves With Money**

A thief who smashed a front glass door with a rock, reached in and released a night latch, made off with at least \$32 in cash from the Lovelady Hardware Store, 1967 Carson St., early yesterday morning.

**Columbia**

(Continued from Page 1)

Dahl, vice president of operations for the Columbia-Geneva Division of U. S. Steel Co. stated:

"Starting and stopping steel mill operations is an extremely complex and costly matter, and great care must be exercised to avoid damage to furnaces.

"We are calling back maintenance men preparatory to resumption of operations when reasonable assurance of continuing operations can be had. This assurance is necessary not only from a safety standpoint but to protect the equipment and assured continuance of jobs for employees."

For whatever reason, only a handful of men had returned to the mill here yesterday.

The return to work movement started after a White House conference yesterday afternoon during which President Truman told both management and labor: "I sent for you to get action, and it's action I want." He indicated that if no agreement had been arrived at, he would set terms which might not be agreeable to either party.

Murray, with the assurance that his men would get at least 12 and one-half cents an hour plus five cents for fringe benefits, told Big Steel that he would not call out his men if the companies fired up the furnaces.

We Terry, president of the United Steelworkers of America, Local 1414, said yesterday that he was grateful for the cooperation shown his union by the community.

"I feel certain that we have their sympathy and understanding, and I appreciate their cooperation during this period."

**Reflections**

By J. HUGH SHERFEY, JR.

A girl planned, with you, to do big things, when you were married. Children came; measles, mumps, frustration, broken arms and broken hearts. This girl mended them. Styles changed but she hasn't. Babies grew up to matrons and men. Gray hair replaced the gold and brown. Eyes lost their sparkle but her faith in you has never dimmed.

Men think they rule. Do they? Not without the wisdom of that girl. She is the Queen of her domicile. That home is her citadel and she defends it with every ounce of her being. Her sword is love and kindness. Her family are the priceless jewels in her crown. She wears that crown as a humble sovereign.

From the distant days of planning and all the days of her reign that girl has stood firm for right, for justice, for honor.

We pay tribute to all mothers but especially to the girl who is the mother of our family.
